Imagine greeting the morning sun atop the Mount of Olives as you overlook Jerusalem. From the very same place, Jesus began his triumphal entry into the city before His crucifixion. Where He ascended into heaven and will step here once again when He returns...and you're there to drink in the sight! This is only one of the many exciting experiences of being in the land of Israel. Israel is the place where the soul can breathe and the mind can assimilate the truths of scripture unlike any classroom on earth. *Come encounter the roots of your faith!* [Click here](#) to review our flyer.
